**Osvaldo Rubio Epiphany**  
Class of 1987

*“Epiphany started me on my path of professional, personal, spiritual, and academic development. The teachers believed in me, cared about me and pushed me to discover what I could do and to always try my best. Without Epiphany’s positive environment, I cannot imagine what my life would be like. Epiphany taught me that no dream is too big and to try to make a difference in this world. Thank you. !Gracias!”*
