

Dear Community Supporter,

Epiphany Catholic School will be hosting its **Lumen Gala on Saturday, March 25, 2017**. As you know, the Lumen Gala is an auction dinner and dance; the proceeds raised directly benefit the students of Epiphany Catholic School. I am happy to report that attendance at our event has grown; various members of the community, alumni, family, and friends continue to look forward to a wonderful evening in support of a very worthy cause. We are anxiously looking forward to even greater success at this year's event. Below are the details on how you can show your support for the Epiphany community:

- Provide an In-kind donation or, consider one of our sponsorship opportunities, specially priced for you:
- \$500 - Lumen Level: Banner with your company name and logo,
- \$250 - Table Sponsorship: Table Signage with your company name and logo
- \$50 - Ad Space in event program

If your organization would like to view last year's event program and/or participate in this year's event as a donor / sponsor, or require more information please contact Dolores Alvarado at alvarado@epiphanychicago.org.

Epiphany is small Catholic School located in Chicago's Little Village neighborhood. The mission of Epiphany School is to participate in the redeeming work of Jesus by educating children to do their part in bringing about a more just and peaceful society. The total curriculum works to instill in students a sense of self-worth and respect for others, empowering them with the skills to set and achieve goals and become lifelong learners. Our students, who are 97% Latino, are on the path to close the achievement gap that affects the Latino community and inhibits the common good. With nearly 80% of our students receiving some form of financial aid, no family is turned away because of financial reasons. Our parents likewise sacrifice to provide their students with an Epiphany education; the cost of which greatly falls below the actual cost of educating a child.

If you would like to take advantage of this sponsorship opportunity, please contact Dolores Alvarado at alvarado@epiphanychicago.org or complete the enclosed sponsorship form.

Thank you once again for your consideration and support of Epiphany Catholic School.
